Attendance

In person hours are required for graduation. We do understand that illness and things come up from time to time. We will work with you to make up missed materials to graduate. However, attendance in person is required for 80% of the hours to graduate. If more than 20% of scheduled training time is missed, you can opt to not graduate or opt to pay for private sessions in person to cover the missed information.

Application Fee

The \$50 application fee is non-refundable. The application fee is not eligible for refunds. However, if you are unable to attend the teacher training currently, we will waive the application fee for the next teacher training for you. Upon acceptance into the program, the \$50 application fee goes towards your total tuition.
